Dear Barceloux - Tibessart Committee:

Katie McDaniel
Vice President
Home Ec. Chr.

On behalf of Glenn County 4-H Council, I would like to thank you for your generous grant. Your support toward the ice machine will benefit many events and activities. Each year the Council purchased a large amount of ice for 4-H field days, meetings, activities and fundraisers. Hundreds of dollars will be saved each year from this generous donation, allowing those funds to be spent on training, conferences and awards for 4-H youth and volunteers.

Marci Sanchez
Secretary

Without support like yours, 4-H would not be what it is today. I am so thankful to have such great community members helping others and making a difference in youth's lives.

Charissa Olmos
Treasurer

Please retain this letter for your tax files.

Thank you again for your support to the 4-H program!

Sincerely,

Jamie Marron
4-H Program Representative
