

Glenn County Fair

MAY 19-22, 2016

Joan E. Stoner
Barceloux-Tibessart Foundation
P.O. Box 908
Orland, CA 95963

Dear Ms. Stoner:

On behalf of myself and the Board of Directors as well as the staff of Glenn County Fair, please accept our profound appreciation for your generous donation which will be used to purchase a new and efficient public address system for the fairgrounds.

Your check for \$3,924.00 will be used to purchase the equipment on behalf of the Avenue of Lights and the Orland Historical Society. The equipment will certainly enhance all events at the fairgrounds, from the annual Avenue of Lights to the Fair itself and interim events in need of quality sound. The impact it will make on overall public safety is beyond measure, allowing us to effectively broadcast alerts for lost or missing children and emergencies where immediate action is imperative.

We are in full agreement to handle all installation and upkeep of the equipment in return for its free usage and full ownership of the system. It is understood that the Avenue of Lights will have free usage of the system at the fairgrounds each December for its annual presentation to the public.

Additionally, we will provide a banner for the Barceloux-Tibessart Foundation to be displayed annually at the Fairgrounds' Band Shell, during the Fair.

In closing, we are very grateful to the Barceloux-Tibessart Foundation for your funding. Our community is truly blessed to have a Foundation of your generosity to support our town.

Respectfully,

Ryan Newman, CEO
Glenn County Fair
